PREGNANCY CERTIFICATE

Mare Name: Fatuma (FR)
Bay Thoroughbred mare
Microchip: 250259600530391

The above mentioned mare was examined at Taghadoe Stud on 3/5/25 and found to be pregnant. There is no apparent evidence of twins visible. Note: It is not possible to detect multiple pregnancies in all cases. Australian Studbook records indicate the mare was last served by Starspangledbanner on 9/10/24.
